

# St John Ambulance Australia Ophthalmic Program

In recognition of World Sight Day 2021,  
the Ophthalmic Program presents:

## ST JOHN – EYES ACROSS AUSTRALIA WEBINAR

Thursday 14 October 2021, 7.00 pm  
<https://uqz.zoom.us/j/82726079474>

Chaired by the Hospitaller, Professor Nitin Verma, and Professor Graham Lee, the program includes an address by the Lord Prior and Chancellor, and presentations on 'COVID and the Eye', 'Ophthalmic emergencies for the First Responder', and 'Managing Indigenous Blinding Eye Conditions' – a conversation between Associate Professors, Bill Glasson and Michael Campion about the work of the St John Pius X Eye Clinic at the Aboriginal Corporation in Moree.

During the webinar, we are also very proud to launch the Ophthalmic Research Advisory Committee (ORAC) of the St John Eye Hospital Group, and a sub-committee of the St John Ophthalmic

Association (SOA). Dr Salam Erakat, SJEHG Clinical Research coordinator, will talk about ORAC and its purpose. For more information about ORAC and the St John Ophthalmic Association, go to: <https://www.soa.global/research/orac/>

... and the three Eye Quiz  
winners will be announced!

Please join the conversations with your  
St John family from around the world.

JOIN IN VIA ZOOM – <https://uqz.zoom.us/j/82726079474>

Contact [gabrielle.lhuede@stjohn.org.au](mailto:gabrielle.lhuede@stjohn.org.au) if you want to join using your iPhone, landline, videoconferencing or Skype for Business.

Let's tell the world why it is important to #LoveYourEyes and why EVERYONE COUNTS.
